Choose Ballard

Go to school finder on JCPS website and put in your address to determine your reside school.

If your reside school is Atherton,
Shawnee, Eastern, or Waggener, you
are in our network. Apply online
through Parent Portal to Academy of
Louisville in order to guarantee
transportation.

Not in Ballard's network: Apply online through Parent Portal for open enrollment. This is a random draw process and transportation is not provided.

If Ballard is your reside school then you do not have to do anything.

Complete online application and indicate your program of interest. If you are not accepted through open enrollment, please apply for a student transfer in May.

When choosing your schedule, indicate your program of interest.
