

TECHStyle Schedule

All Britts have access to *TECHStyle* as contributors, which means you can draft and publish a post independently (<http://techstyle.lmc.gatech.edu/>). Alternatively, you can put a post on *TECHStyle* in draft form and then email Christine (or someone else on the committee) to let her assign the categories and do any final edits. For longer posts that will be posted as Front page Features, we ask that you contact one of the committee members before or just after you post, so that we can look things over.
