

Outreach Review (again)

#1 Hey, Rhoberta, I found your YouTube channel.

I have an idea for a type of funnel that could potentially increase conversions on your site.

It's dead simple, and doesn't require much work.

Let me know if you're interested, Rhoberta.

#2

Lia, I saw your video about why men cheat.

I've got an idea to use social media posts to get more sign-ups for your free course.

Matt Cama does something similar, and he has 200k followers.

Let me know if you're interested, Lia.
