

Algebra I Assistance

Google Classroom: This will be where most of the information students need will be located. Students have been emailed an invitation to the classroom. If the link does not work, the classroom code is **ldzt7by**.

Videos of the notes will be uploaded as time goes.

SCHEDULE: Below is a schedule that can help work your way through the material so that you do not overwhelm yourself. It was also scheduled out the days that I will be available via google hangout to teach or answer questions.

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
4/20	4/21	4/22 Just look through the packet to see what is to come. Making sure everyone has received their copy. Try a google hangout to see how it works and to learn the new classroom rules.	4/23 Complete NOTES #1 Pages 1-4 of the packet. (2 pages are answers so stop WHINING!)
