We hereby declare that the research manuscript submitted is an original work and was not written entirely using Artificial Intelligence (AI). We have understood and complied with all AI usage guidelines established by the Journal, including conducting a self-check prior to submitting the manuscript, namely:

No.	Pernyataan	Kelengkapan
1	We declare that this research manuscript is an original work and was written independently without the use of artificial intelligence (AI) at any stage.	☐
2	During the manuscript preparation process, we use artificial intelligence (AI) solely for language editing, sentence structure correction, and academic spelling refinement. The AI tools used are [List the names of the tools/applications, e.g., Grammarly / ChatGPT / Gemini].	☐
3	We confirm that we have read, understood, and will comply with all AI usage policies established by the journal to uphold the integrity and ethics of scientific publication.	☐
4	All data and data visualizations presented here are the result of authentic analysis using appropriate software and are free from manipulation, fabrication, or AI-generated data hallucinations.	☐
5	All references and citations in this manuscript are derived from valid, authentic scientific sources and have been manually verified against their original sources, without the use of fictitious references or AI-generated citations.	☐

This concludes our statement in this letter regarding the submission of this research manuscript. If, at any time during the review process conducted by the **Editorial Board of the Indonesian Journal of Fundamental and Applied Geography**, any violations are found that are inconsistent with this statement, we hereby agree to accept sanctions in accordance with the applicable rules of scientific writing ethics.
