[color=#9ACD32]+Quick Learner[/color] - Quick Learner: Growing up on the streets made Serya
a jack of all trades but a master of none.
[color=#9ACD32]+Psychometry[/color] - Due to her Kiffar heritage, she can read memories in
objects.
[color=#9ACD32]+Bloodline[/color] - Serya hails from a family of exceptionally strong force
users. Despite no training in the Force, it appears in her every day actions.
```

```
[color=gold]~Betrayal[/color] - Life on the street has left its mark. She's jaded and doesn't trust
easily.
[color=gold]~Dad Jokes[/color] - They always fall flat.
```

```
[color=#ee4466]-Talith Curse[/color] - Piloting anything larger than a speeder ends up with
crashes or bad luck.
[color=#ee4466]-No Training[/color]- When she uses the force it's often emotion-based, leaving
her more vulnerable to the dark side.
[color=#ee4466]-Know it All[/color] - She's seen it all, she can do it all-- she's not wrong (even
when she is!). Serya can't accept solutions that are not her own.[/slide]
