## Questions, Comments, Concerns, Ideas?

Going forward we can partner with the Student Council for events and ideas. Lisa Jeambey will be our liaison.

Is the link for the T-shirts working? Yes, as long it is not done on a phone

We are still waiting on the Playground re-painting. Stephanie will try to talk to Terri about it. It will still need to be approved through facilities.

Can do contests for fundraisers for classes? They can earn Gecko Golds for winning to build community within the school. Yes, we will go forward with that.

We do have some plans for the Autumn festival for the Mandarin program and teachers.
