

Browns Creek Camping Information Sheet

Browns Creek Bike Trail, 1910 E Broad St, Elizabethtown, NC 28337
April 12 - 13, 2025

The town of Elizabethtown is providing us the opportunity to camp on site during this event. This document describes the camping areas and types (RV, tent, etc) available from 4pm Friday, 11 April until 7pm Sunday, 13 April. A few considerations before you click on the TeamSnap registration links below:

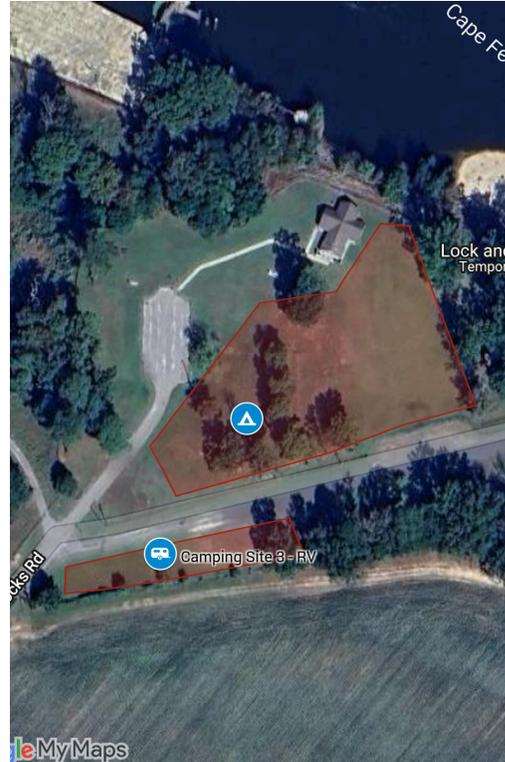

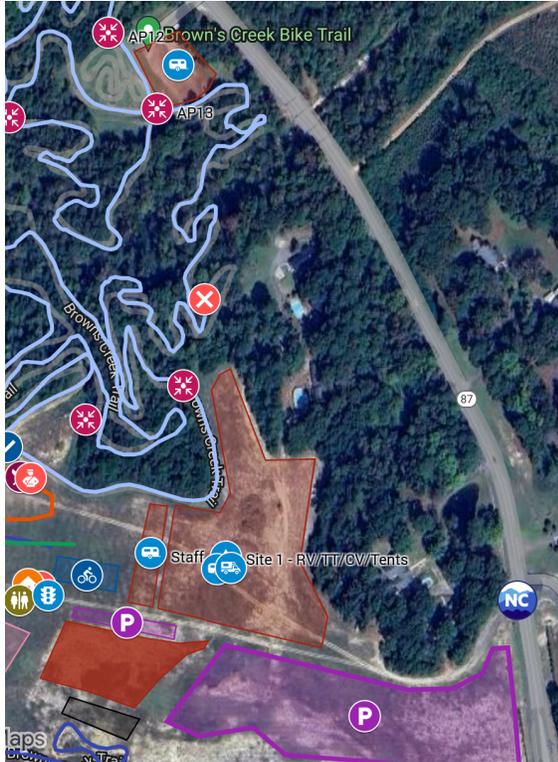

- No “Stealth Camping” in general parking lots. We have agreements with our venue managers to only camp in certain areas. All overnight camping must be in one of the designated areas and be registered with the league.
- RV camping is \$20 and Tent camping is \$10. All camping fees are non-refundable even if the event is canceled. Please consider purchasing the event insurance through TeamSnap if you are concerned about losing your registration fee due to unforeseen circumstances.
- Camp site location and availability is subject to change based on venue owner decisions and weather changes. We will do our best to limit those changes and communicate them when they occur.
- Arrival time is Friday between 4:00 pm and 10:00 pm. Saturday any time before 10:00 pm.
- Campsites are primitive (no hook ups). Restroom facilities by site are listed below.
- Campfires are allowed in all campsites but must be contained in a metal pit like a fire ring, solo stove or fire pit. No ground fires! Dispose of fire ashes properly.
- Quiet time is between 10:00 pm and 7:00 am.
- No loud generators allowed at any camping site.
- Please register with the email address associated with your current TeamSnap account.
- Consider serving as a “Camp Mayor” for the weekend to help our Camping Coordinator show campers to their areas as they arrive, provide some organization to the camp area and address any concerns with campers.
- Please send all camping questions to our Camping Coordinator at camping@northcarolinamt.org
- Camping registration closes when capacity for each site is reached or no later than Midnight Saturday, April 5th.
