

ZOOM Online Virtual Conferencing Expectations

Zoom is an app that provides the ability to "face time" and conferencing. There are expectations that need to be followed because it is a new learning platform that we are utilizing to get you the best education, even from afar.

Please read the expectations of using zoom. There is a Zoom app for Apple and Android devices as well as a desktop application.

- When you enter the zoom meeting, please have your video showing and your microphone MUTED.
- There is no tolerance for talking over the teacher, using crude language, or disrespecting the teacher or other students.
- You are to remain muted unless the teacher calls on you or you raise your hand.
- There is a chat room with zoom. Please DO NOT type in the chat room unless the teacher asks a question.
- The first 5 minutes of a zoom meeting is to take roll and make sure everyone is present. Please be prompt and come prepared to discuss and learn.
- All windows on your computer should be closed out except for your work and the Zoom website.
- Students should be dressed appropriately while using Zoom.
- Zoom meetings will be recorded. Everything you say or do will be recorded. You are expected to use classroom behavior while you are in Zoom.
