Hello, I'm Skips, I'm 25 years old and I'm from the USA. I'm a school teacher, I work from Monday to Friday. In my free time I like practicing sports. I prefer adventure sports because those are risky. I like parachuting, bungee jumping and rock climbing.

I usually go rock climbing on Friday afternoon, I normally go on my own. I like climbing mountains. If you want to go climbing you need to be very strong. I go bungee jumping on Saturday afternoon. You need to be very brave to jump off a cliff with just a rope attached to your feet.

My favorite sport is parachuting - I love it. I always go parachuting on Sunday but, I never go at night, I always go in the morning. Parachuting is when you jump off a plane with a parachute on your back, you open it during the fall and you land gently on the ground after a couple of minutes. It feels like you were flying and I love that feeling.

Are friends important to you? They are really important to me!

Hi, my name is Phil and I'm 9. I'm from Harwich, a town in England. This is a picture of my friend Max and me.

Max and I are close friends. We have lots of things in common: we live in the same block of flats, we both have got older sisters. We have birthdays on the same day, 17th October.

Max and I are in the same class, we love eating, especially fast food. Our best food is pizza, we enjoy the same games... We have a great time playing together! Football is one of our favourite sports (we play it all the time) but we play lots of other great games, too: leapfrog, hide-and-seek, snakes and ladders, marbles and tug of war.

We hate doing homework, but we like school 😊
