

Women and Gospel Learning in Home
Henry B. Eyring Oct 2018 General Conference

“Men and women cannot be exalted alone”

“ Your trust from God is to nurture as many of His and your family members as you can with love and your faith in the Lord Jesus Christ.”

“It takes great love to feel the needs of someone else more than your own.”

“When you pray with and for your family members, you will feel your and the Savior’s love for them. That will become more and more your spiritual gift as you seek it.”
