Unit Account Form

Each year the Scout Store updates the names on your Unit Account. **Please fill out the reverse side of this form and return it to the council by fax, email, or mail. If there are no changes that need to be made please make sure that you still fill out this form and return it so that we may update our records.** If you decide to change names on the form you can always visit the Scout Store to make changes, in addition, please call ahead if you are allowing people who are not on the account the ability to charge. We will not allow charges to individuals not listed unless otherwise notified.

In order to better serve you,

Please include the design of neckerchief that your troop uses. This allows the Store to better assist families that are shopping for their uniform.
