

DAF PAC Meeting Principal Report

November 24, 2025

Gratitude

Thanks so much to all of our casino volunteers and those who spend countless hours organizing. The money that generates is irreplaceable.

New Staff -

We are trying to hire 2 new support staff to help with our 2 new high needs students that we welcomed into our school in November. Please spread the word.

Proposals/ Reflections

Our school calendar for this year has shifted slightly. This is what we are proposing

- Report cards will be going out on January 30th and June 12th
- We are wanting to change our February parent teacher interviews to Thursday March 19th as it is a mid point for the end of January and beginning of June
- Awards night is being rescheduled for January 30th from 11-12.
