

## Research/Taking Notes

Task: for each of the sources that you have, pull specific information that proves or refutes your working thesis statement. If you have more than 3 sources, you may need to create more boxes/space at the end of this.

State your working thesis/hypothesis:

Source #1:

Specific Information (include page numbers if it is a print source):

Source #2:

Specific Information:

Source #3:

Specific Information:
