

Paint a Pumpkin as a Book Character

The GRE Library Media Center would love for students to PAINT a pumpkin like a book character to decorate for our upcoming Book Fair and the school! Please consider painting a pumpkin to resemble one of your favorite book characters! You are able to use paint and glue, but please DO NOT CARVE your pumpkin. Any pumpkin that has been carved, will need to be sent home immediately. All pumpkins can be brought to the library on **October 19, 20, and the 21st**. All pumpkins will go home on Tuesday, October 27th, ***This is a completely optional activity.*** Thank you for considering this fun activity to celebrate books we love!
