### Source Chart Directions:

- You will need to fill out a separate source chart for each subtopic (cause, effect, & solution of issue)
- Follow due dates listed on project handout for each source
- For EACH subtopic you will need to include
  - **Research question** for subtopic
  - A **PRIMARY ARTICLE** that you used to gain the majority of your information – must be from a CREDIBLE source and include citation/links to get back
  - Any **SECONDARY SOURCES** used to gain information and all links to articles
  - At least ONE **VISUAL SOURCE** – videos, pictures, charts, graphs, etc. – MORE FOR MASTERY!
