

I Have a Golden Factory Pass:

Nana Pinkie: Who would've thought in all my years, I would be up and about from my hooves to my ears? And finally I'll be able to walk with my granddaughter's peers. Cause I have a Golden Factory Pass. I now have my old joyous stride again. I now have a chance to see the land. Oh, the thought of it is truly grand. Traveling all around the kingdom is not just a simple demand. Cause I have a Golden Factory Pass. It's ours, Pinkie. I now have a chance to finally raise my life's curtain. Pinkie, my slippers. I now have something to talk about.

Pinkie Piecket: This is the day you'll finally shout.

Pinkie & Nana: Good Morning. I'm back on my hooves.

Nana Pinkie: Pinkie, your dream will really come true.

Pinkie Piecket: I'll gladly share the candy with you. And not just you, mother and sisters too.

Nana Pinkie: Mother and sisters, too. My cane, too. Look at me. I feel like a filly again. I can crush rocks as well as boulders. I can carry my family on my shoulders. And without a doubt we'll be the prize's new holders.

Pinkie & Nana: Cause I have a Golden Factory Pass. We will win all the candy. That's a certainty. And with a Golden Factory Pass, the prize will truly be tasty.

Nana Pinkie: Good morning. How are you, Ponyville?

Pinkie and Nana: Having this pass is such a thrill.

Nana Pinkie: It is such a thrill. I can crush rocks as well as boulders. I can carry my family on my shoulders. And without a doubt we'll be the prize's new holders. Cause I have a Golden Factory Pass.

Pinkie & Nana: I have a Golden Factory Pass. We will win all the candy. That's a certainty. And with a Golden Factory Pass, the prize will truly be tasty.
