

### **IFLTA Creative Projects Contest Information**

The IFLTA Creative Projects Contest is an opportunity for World Language educators from across the 'Hoosier State' to showcase the creativity of their students and of the activities and lessons that they teach/explore in their classrooms. The IFLTA Annual Conference showcases the creativity of teachers, but we all know our students display incredible creativity each day in our classrooms!

World Language teachers attending the 2025 IFLTA Annual Conference are invited to submit a **MAXIMUM of three (3) entries** of creative projects from their students to be displayed at the conference and to be considered for recognition. Creative projects can be two-dimensional or three-dimensional and should reflect your course.

Certificates for 1<sup>st</sup> and 2<sup>nd</sup> place for each division (elementary, middle school/junior high, and high school) will be awarded. A cash prize will be awarded to the overall winner of all divisions.
