

Hello Parents and Athletes,

We are excited for our upcoming season!

For this season, our teams will participate in AAU tournaments/games. AAU is a governing body that runs the majority of the tournaments our teams participate in. AAU memberships are necessary for all athletes and coaches to participate in GSL practices as well as the team tournaments.

This year, AAU has moved to partner with a new system. Because of this new system, you will have to create a new account and profile. The old account information does not cross over to their new system.

**PLEASE NOTE THAT NOT ADDING THE CLUB CODE AT REGISTRATION MAY RESULTS
IN A \$25 FINE ADDED TO YOUR SPROCKET ACCOUNT**

If clicking the link directly out of this document doesn't work, you may need to copy and paste it into your browser for best results.

If you believe that you have a previously purchased membership that is eligible into 2026, then you can check your membership status with the following link. The expiration date should read 08/31/2026 or later to be considered eligible for this upcoming season.

Any previously purchased 2 year memberships can be looked up from the link above. If the club code is the same as what's listed further down, and the expiration date is valid through 2026, then your membership is still considered valid.

Any questions regarding AAU Memberships can be directed to Baylie Miskin at clubgslbaylie@gmail.com or at 986-231-6212

Purchasing a New Membership:

1. Click on the blue "Get started" button
2. At the bottom of the pop up box, find "Don't have an account? Sign up" and click on the blue "Sign up"
3. In the next text box, enter your first name, last name, email and password for your account. Your email address will be used as your username. Click "I have read and accepted the Privacy Policy" as well as the box for "I accept Cookies from Uventex Sports Hub". Then you will click the multicolored "Sign up" button to continue.
4. Click on the white with blue text button labeled "Add new athlete"
5. Select the "My child" bubble
6. **Enter your ATHLETES details. FULL LEGAL NAMES. NO NICKNAMES!!!!.**
7. You will enter full legal name, date of birth, gender and address
8. Under "Sport details" you will select volleyball (of course)
9. Under Club details you will enter the club code **W3DF4T**. GSL is sometimes showing as having two codes. Please be sure that you enter the club code W3DF4T to be attached to GSL correctly. The zip code associated with that account is 84091.
10. Scroll to the bottom and check that the contact info/guardian details are correct. Be sure to enter your phone number if it is blank.
11. Continue to scroll to the bottom. You will pass the NCSA college recruiting box. This is an optional thing. It is not required for your membership to be considered valid and eligible. You may select yes or no at your own discretion. GSL has no direct affiliation with NCSA and cannot answer any questions about it if you opt in.
12. Click the blue button that says "Save athlete" if you only have one athlete, if you have multiple athletes, select the white with blue text box that say "Save and add another athlete" and repeat the previous process.
13. You will then be brought back to the beginning. You will click the blue button titled "Next step"
14. You will then be brought to a page asking you which membership you would like for your athlete. You will only need a standard coverage membership. Extended coverage would be used if we were to participate in events other than AAU events and our teams will not. Click the blue "Next step" button
15. Scroll to the bottom of the Terms and Conditions page and select the box next to "I have read and agree to Terms and conditions" and then digitally sign with YOUR legal name.
16. On the shopping cart page, you will select the box next to "By checking this box, I certify that I am 18 years of age or older."

17. You can choose to auto enroll your athletes membership or not. If you choose to do so, any issues with auto renewal will have to be directed to AAU. GSL does not have access to making any adjustments to your memberships in that way.
18. You can choose to verify your athletes age or check out without age verification. The choice is up to you as the parent.
19. Enter your verification code or continue without it to the payment portion
20. Enter your card information and hit pay
21. You should then be able to go back to your dashboard, click on the athlete membership button and see your athletes membership be now available.
