PM only	\$600/month
AM and PM	\$665/month

To register for KidsCare you will need to start by setting up your My School Bucks account at www.myschoolbucks.com if you do not have one already.

If this is your first time using My School Bucks you will need to **create your account** and have your child's student ID # available so that you can make sure they are listed under your account (Add Student - upper left hand side). If you do not have that ID # you can call us or contact your child's school to get it.

Your next step is to go to www.msbactivities.com where you will log in using the same username and password. Select Enrollment. The site will prompt you to select your site, days of attendance, and enter important contact information as well as authorized pick ups. Once this process is completed you will receive an email invoice for the registration fee of \$25 and the upcoming month's tuition. We require that you complete payment for the registration fee and at least the first week of care before your child starts in the program.

If you are having any difficulties with the registration process please do not hesitate to reach out for assistance to 966-2456.
