

9th Grade Orientation 2026

Parent & Student Information

9th Grade Orientation is a valuable experience in which students are introduced to their classmates, advisors, and the Upper School. The experience is designed to lay a foundation that will help your child form lasting relationships as well as orient them with our programs and school culture. The event will include fun games, team-building activities, group discussions, and essential information. By the end of the day, students will be well-prepared for the opening day of school and comfortable with the school campus and Upper School classrooms.

Date: Friday, August 7, 2026

Time: 8:00 am-2:30 pm (**Student Program:** All 9th grade students)
