

Daily CG Questions - Spring Week 3 4/13/25

"Prayer Experience"

Prayer Experience Week

This week the questions are meant for individual contemplation and not group discussion. It is up to each group to determine what they want to do, but the goal is for each person to have a dedicated block of time to be alone with God. This can be done on your own, individually; but If it is done at your group meeting, we recommend coming together afterwards to discuss and debrief how it went.

Main Verses for the Week

John 10:27 and Psalm 46:10

Day 1 - Scripture Reading and Study / Seeking Guidance

- Read John 10:27 and Psalm 46:10.
- Spend 10 minutes in silence alone with God and ask Him to speak to you. Relax, make yourself aware of His presence, and listen to what He's saying to you—to "be still" and "listen to my voice."

Day 2 - Space for Reflection and Prayer

- What do you imagine God's response is when you pray? Not the answer but instead how you think He feels about you.
- Do you think God misses you when you have not spent time with Him in a while? Why and why not?
- If God were to write a biography about you, what do you think it would say?

Day 3 - Time for Repentance

- Acknowledge to God the recent times in which you have done things in your own way on your own strength without considering Him first.
- Talk to Him about why you think you do that and how you should do it differently going forward.

Day 4 - Tangible Hope / Generosity / Serve

- Click on this link to read the  Lectio Divina for Personal Meditation on Scripture , or go online to <https://intervarsity.org/blog/study-bible-through-lectio-divina> for more info.
- Identify a need that you can pray about, and listen to God on how to partner with Him in this matter.

Day 5 - Worship / Celebrate / Encourage

- Write God a thank you letter for something specific He has done in your life.
