Consistent and Correct use of Masks

- Correct masking communicated, taught, and expected by all Marshall students and staff.
- Masks removed during breakfast and lunch while eating.
- Masks NOT removed during physical activity.
- Masks stored on arm when not in use.
- Masking breaks given outside when social distancing is achievable.

Social Distancing to the Largest Extent Possible

- Students will be cohorted into grade level bands for lunch, recess, RTI and specials.
- Student instruction confined to homeroom classroom as much as possible. Outdoor learning and play areas are scheduled weekly to maximize outdoor opportunities.
- Distancing will be dependent on the number of students in each classroom, in the lunchroom, and on the playground.

Hand Hygiene and Respiratory Etiquette

- Correct hand hygiene and respiratory etiquette will be explicitly taught in Week 1 and will be retaught and reinforced as needed.
- Hand sanitizer stations have been installed in the hallways and entryways.
- Personal hand sanitizer is recommended at each desk.

Cleaning and Disinfecting

- Follow district cleaning procedures for daily and bi-weekly cleaning.
- High touch areas identified, labeled and cleaned frequently.
- Spray bottles, cleaning cloths and disinfectant wipes are in all classrooms.
- Cleaning supplies from parents are not accepted (no clorox wipes, spays, etc).

Contact Tracing in Collaboration with Local Health Department

- FUSD contact tracing protocol followed for all students and staff.
- Partnership with Coconino County Health Department.
- Isolation room is available for students who are exhibiting symptoms while awaiting immediate parent pick up.
