

## Information - Kino DRAMAWAS:

*Kino DRAMAWAS wants to bring people from all over the world, to make movies together with locals from Innsbruck. You belong behind or in front of the camera, you are young or old, a pro or a beginner? Everyone's welcome!*

Kinokabaret ([kinokabaret.org](http://kinokabaret.org)) is a movement, which is characterized by a very quick production process! In our case, the production time for a movie will not be longer than 48 hours. From an initial idea to the projection itself.

In a first meeting all participant will gather to introduce their ideas. After that, groups will build with the same interests to work at the presented ideas and shortly after the shooting will start. Now every team has 48 hours to film and edit their project and show to a big audience. The first session is over! At following evening the second session will start. The only challenge will be the time!

The kabaret starts at 28th March – 6 p.m., with the first screening at 30th March - 8 p.m. In between, it's possible to spend time in sightseeing or go skiing. Don't forget your Board or Skis! From 31st of March to 2nd April a second session takes place, with meeting at the first day and final screening at the last. Both are starting at 6 p.m.

Our venue, the Bäckerei ([diebaeckerei.at](http://diebaeckerei.at)) - a former bakery - is the perfect place for this enterprise! There is plenty of room to meet, hang out, cook and eat, film, edit and screen. To provide the venue and for cooking, we demand expenses from 30€, including breakfast, snacks and a hot dinner. Drinks will be available at very low cost.

All interested people must register [HERE](#)!

We are looking forward to see you in Innsbruck!
