

#Follow up number 3

SL: This probably isn't for you.

Do you want your business name featured in the top real estate magazines,

about how it beat the top American iBuyers businesses that have been dominating the field for years within months.

Do you want New York News to publish an article about how you quickly became the top of the N.Y. industry iBuyers?

Do you want to feel capable and powerful enough to look at conquering the whole American iBuyer market from one state to another,

To secure the forefront place for your business while leaving your biggest competitors in awe?

If you don't want to accomplish those things,

then my help **isn't probably for you.**

You have achieved remarkable results in your fitness journey.

You dared to try to pursue your goal...

Would you give up your dreams for your Suffolk country house buyers business?

Why don't you dare to hop on a **free** call?

You don't have anything to lose!

What if it could drastically upscale your business's fame and your revenue?

With energy,

Ahmed.

P.S.: Respond to this email (if you seriously want to know how we can utilize this "Holy Grill" marketing tool to help you rank Suffolk Country House Buyers as the top Ibuyer in New York) by choosing a day we can meet.

P.P.S.: Scheduling on me since I'm currently overseas. No worries, we'll sync up for the perfect time for our call.
