

It is time to get ready for the 2024 SWISLR All-hands meeting!!!

SWISLR Meeting Information: Directly after the [SALT conference](#) we will host our SWISLR RCN work-a-thon! We will start this meeting by connecting over what SWISLR projects we have been working on throughout the year and think about how this informs our coastal futures. We will spend our meeting time focusing on the future of SWISLR research and the future of the outer coastal plain. Knowing the gaps we currently have in our science is important, but how do we fill those gaps and what can we do to start working towards solutions?

Meeting Agenda:

June 11th & 12th - SALT Conference:

This conference is co-hosted by the University of Maryland and the SWISLR RCN. You can register for this conference at the [SALT main webpage](#) on Dr. Kate Tully's website. This 2-day conference will cover topics of saltwater intrusion and sea level rise and provide a general understanding of what information we, as researchers and coastal planners, currently have on the issue of SWISLR.

Evening of June 12th - Beginning of the SWISLR All-Hands meeting

3:00 SWISLR impacts on Agriculture field trip.

Dr. Kate Tully & Farmers will provide tours of the salinity-impacted farm fields in coastal Maryland. We will leave the hotel at 3:15. Meet in the front hotel lobby.

6:00 Dinner On your own

June 13th - SWISLR Field Trip + Start of Work-A-Thon

9:00-10:00 Breakfast & Let's get caught up!

Buffet Breakfast in the Skipjack Room at the Hyatt Hotel

10:00 - 12:00 World Cafe: Envisioning Coastal Futures

Round table discussion of coastal futures given what we know about SWISLR in the Clipper room at the Hyatt Hotel

Introductions and Setting up group projects

What have you been working on in the past year and what will you work on today? Share what you are working on with the rest of the SWISLR RCN.

12:30 Break for Lunch (on your own)

The Hyatt has a variety of [dining options](#). You can also explore DownTown Cambridge, MD!

1:00 Set up working groups and set goals for the Work-A-Thon

Working groups will be pre-set before the meeting and based on your interest in one of our [SWISLR-supported projects](#). This time is a chance for you to do introductions, set roles, and set up goals for your group. If your group is meeting at a later date, you can join another group that is working during this event.

6:00 Break for Dinner (on your own)

June 14th Working Day

Work-a-Thon Day!

You will meet with your groups to collaboratively work on a project and push goals forward. Meet with your project team throughout the Hotel grounds to fill out working templates or work on products from the project.

12:30 SWISLR Closing Lunch
