

8.30.22

ROADWORK UPDATE: Paving crews have been onsite all week...things are going well, but due to the Clubs re-opening tomorrow, we will alter our schedule just a bit. Please note changes below...

WILL THEY BE ON MY STREET? If your street is listed below and see **ORANGE PAINT MARKINGS**, work will be done there.

Starting **THIS AFTERNOON through Friday** they will be on the back section of the neighborhood affecting the following roads, roughly in this order:

- Fairway Ridge (sections)
- Oakwood Lane (sections)
- Catawba Ridge Court (sections)
- Greenridge & Riverview Terrace (sections)
 - Specifically: Greenridge near 171-174 and near mailboxes
 - Specifically: Near 236 Riverview Terrace and between parking spots for 205 & 211
- Crowders Ridge (sections)
- Sandy Cove (sections)
- West Gate entrance inbound lane (this will necessitate closing the inbound gate for a period of time...watch for the eblast when that time comes!)

Roads to be done **FRIDAY MORNING:**

- Commodore Point Road (entrance section)
- Heritage Drive (section between Heritage Court & Pine Knoll Drive)

Heritage Drive will be reduced to one lane for half a day...Please plan accordingly and watch for updates.

We thank you in advance for your patience as our road committee members and paving crew complete this necessary work on your roads. Please slow down and follow their guidance in affected areas for everyone's safety.

Homeowners on the affected streets: you will receive notices in your paperboxes to alert you to the work being done on your street. In many cases, parking on an adjacent street may be necessary for a period of time if you need the ability to leave home. Though the crew is very careful, pulling your vehicles as far as possible into your driveways will help to ensure that random pieces don't inadvertently harm anything. If you have any questions, please reach out to the office...803-831-8214

Thanks everyone!

Amy 😊
