

Good evening, Lake Forest High School Families! We hope you have enjoyed the weekend. The end of the marking period is a busy time, and so we hope you continue with this message.

The first marking period ends on Friday. Assignments will not be collected after this day, so please reach out to your teachers if you have questions. Final grades are determined by the average of the first and second marking periods. It is important to start the second marking period strong, as it begins on Tuesday, November 2. This week, we have the PSAT/NMSQT on Tuesday, October 26 for those who signed-up. Any student scheduled to take the PSAT/NMSQT must watch the security video included with this message. On Wednesday, October 27th, the Kent County College Night will be held in the Poly Tech Gymnasium from 7-9PM. Seniors are highly encouraged to attend, but the event is open to all. Haunted Hallways will be held on Friday, from 5-7pm, in the back parking lot. Our fall athletic season is in its final stretch and all are encouraged to attend the remaining events. Visit <https://www.spartans-sports.com/> for a full athletic calendar.

Looking ahead, there is no school on November 1, and College Application Week begins Tuesday, November 2. Seniors are asked to read the documents that were distributed last week. The ASVAB, a military placement test, will be administered on November 9 and is open to juniors and seniors. The exam is free but students must see their school counselor to sign-up. Another reminder that AP Testing fees are due by October 29. The form is attached to this letter. Please contact your AP teacher or Mr. Reichenberg if you have questions.

Finally, if you are the parent/guardian of a 9th or 10th grader, we ask that you complete the short survey about JROTC included with this message. LFHS and the LFSD are continuously looking to create programs that meet the needs of our students and community, and so your input is greatly appreciated. That is all we have for you this evening. Thank you and have a good night.
