

10 Pictures

We are going to you Microsoft Word to showcase 10 things you enjoy through pictures. Go through the following steps:

1. Find 10 pictures online that identify things you enjoy, are involved in, or simply about you. Paste them into a single Word document. At this time, it is ok if they go onto more than one page.
2. The following needs to be done/added to at least one image a piece:
 - a. Correction
 - b. Recolor
 - c. Artistic Effect / Filter
 - d. Picture Border
 - e. Picture Effect
 - f. Crop
3. Change the Wrap Text to every image, so that you may freely move them around the document.
4. Resize and move the images around so that they all fit neatly onto a single page.
5. Save the document as 'TenPictures' and submit
