Re: Pesticide Application on School Grounds

Dear Parents:

Paw Paw School District contracts with Pest Control Consultants to manage our Pest Control Applications. Pesticide applications take place before or after school while no students are in attendance. The dates for the 2025/2026 school year for pesticide spraying are:

August 27, 2025, September 23, 2025, October 28, 2025, November 25, 2025, December 23, 2025, January 27, 2026, February 24, 2026, March 24, 2026, April 28, 2026, May 26, 2026, June 23, 2026

As other dates are added they will be added here.

If you have questions about our pesticide application plan please contact Jennifer DuBois Superintendent/Principal via email at jdubois@2paws.net or via phone at 815-627-2671.

Thank you,
Jennifer DuBois
