

Join the Chemistry Club in celebrating...

ACS National Chemistry Week!

Monday, 10/21: Join us in the SCI 199 Lobby from noon-1:00 pm for the Periodic Table of Cupcakes. Stop by for a cupcake of your favorite element!

Tuesday, 10/22 (*weather permitting*): Join us in the SCI Breezeway from noon- 1:00 pm for Liquid Nitrogen Ice Cream. Stop by for homemade ice cream, frozen using liquid nitrogen.

Wednesday, 10/23: Mole Day Scavenger Hunt. Stop by SCI 188A to pick up a scavenger hunt clue sheet to help you locate the 10 moles hidden throughout the SCI Center. Prizes will be given to those who complete the hunt. Scavenger hunt will run from 10:00 am - 5:00 pm, or until all prizes are gone.

Friday, 10/25: Join us for exciting science-themed kids tables (SCI 199 lobby, 5-6 pm) and our 3rd Annual Halloween Demo Show (SCI Quad, 6:15 pm).

What is National Chemistry Week?
