

[Klaza Caribou Herd Population Estimate 2024](#)

[KL Russell, K Beckmann,](#) J Potié, S Taylor - Yukon, Canada 2026 Government of Yukon

... The 2024 estimate of the Klaza caribou herd is 913 caribou (95% confidence interval [CI]: 729–1,146). The previous population estimate in 2012 was 1,179 caribou (95% CI: 952–1,461). Calf recruitment in 2024 was 31 calves/100 cows, above the threshold associated with population stability (20–25 calves/100 cows). The adult sex ratio was 38 bulls/100 cows, above the recommended minimum (30 bulls/100 cows)...
