3. Explore Financial Aid Resources:

- Complete the FAFSA as soon as it opens according to the federal government (December).
- Parents/seniors may make an appointment to meet with our Financial Aid Advisor from *College Now Greater Cleveland* through the School Counseling website (<https://sites.google.com/solonschools.net/shsschoolcounseling/financial-aid-scholarships/college-now-financial-aid>).
- Apply for local scholarships. Information will be posted on our website and mailed to all seniors at the end of January. Be sure to adhere to the deadlines for all scholarship applications.
- Use the School Counseling webpage for more financial aid resources.
- Make an appointment with the financial aid offices at the colleges you are considering.

4. Continue to strive for your academic best:

- College admissions use a holistic review which considers GPA, rigor of curriculum, ACT/SAT scores, contributions to the community, and extracurricular activities.

- Be sure to earn solid grades in the senior year and take a core course load. Colleges will request mid-year and final grades in the senior year which could change admission decisions.
