

#REBUILDINGWELCOME
includes people from ALL
parts of the world

New 2023 PD Response - RCUSA - Social Media Toolkit

The Biden Administration can return to #RebuildingWelcome if it offers welcome to ALL people seeking safety. To make that possible, we need a refugee admissions goal of 200,000, and the dedication to welcome to people from all parts of the world.

| | admissions level to 200,000 displaced people. | continue #RebuildingWelcome for worldwide need.” |
| Twitter | Our nation has stepped up to support Afghans and Ukrainians, but so many others still seek safety in other parts of the world. We need@POTUS to set a refugee admissions goal of 200,000 to truly provide the support people need toward #RebuildingWelcome. |  <p>There is more work to be done toward #REBUILDINGWELCOME</p> <p>[download image] Alt text: A graphic that says “There is more work to be done toward #RebuildingWelcome”</p> |
| Instagram | The world is faced with the greatest crisis of forcibly displaced people in history, and the US must set the bar for a global response. #RebuildingWelcome includes @POTUS setting our refugee admissions to 200,000 so people from ALL parts of the world can seek safety in the US. Let’s continue to support needs in Afghanistan, Ukraine AND other parts of the world where there are similar needs for people seeking safety. |  <p>#REBUILDINGWELCOME includes people from ALL parts of the world</p> <p>[download image] Alt text: A graphic that says “#RebuildingWelcome includes people from ALL parts of the world”</p> |
| Facebook [Please tag the President Joe Biden page and remove the brackets] | Let’s continue #RebuildingWelcome in response to the tremendous global need. There are historic levels of worldwide displacement and the US must set the bar for the global response. That includes [President Joe Biden] setting a refugee admissions to 200,000 so people from all parts of the world can seek safety in the US. |  <p>#REBUILDINGWELCOME includes people from ALL parts of the world</p> <p>[download image] Alt text: A graphic that says “#RebuildingWelcome includes people from ALL parts of the world”</p> |
