Preamble

WHEREAS oversight is the senate's job

WHEREAS subpoena power should be expanded

Article 1

§1. Article 4, §1 of the constitution shall be amended to read

“§1. As part of its political and judicial functions, the Senate shall have the authority to conduct oversight of governmental bodies and individuals. It shall also have the power to subpoena current and former government officials, as well as specific government departments, and any other part of the government of SimDemocracy that the Senate deems fit.”
