*The payroll system is set up on a fiscal year basis. While your first paycheck of the year is issued on 9/5, the number 5 will be on your check as it is the 5th pay period of the fiscal year.

**The 5-check pay period includes 6/6/26 - 8/14/26. This represents the remainder of your contract.

Teacher paycheck options:

#1 (27)	Selecting the 26 pay period option means you will be paid on each regular payroll date beginning in September and ending in August
#2 (26.1)	Selecting the 26 pay period option with a lump sum means you will be paid on each regular payroll date beginning in September and receive a lump sum at the close of the school year (DATE) for the summer payroll dates.
#3 (26)	Selecting the 22 pay period option means you will be paid on the regular payroll dates beginning in September and ending in June. Since you will not be receiving paychecks during the summer months, double deductions for all voluntary benefits (health, dental, life, vision, disability, etc.) will be taken in May and June to pay your portion of the premiums covered through September.
