**How to pay me:**

**Sadly due to private and personal reasons, you can't send me money directly. So the way you can pay me is through sending me Steam wallet money! Just add me on Steam and you can send me the money through there!**

**My prices:**

**YouTube videos/Channel Trailers/Raid introduction videos:**

**10\$/hour spent editing (I will keep track of these hours myself on a little note pad, break time won't be counted obviously.)**

**Alternatively we can discuss an amount of money per video!**

**Tiktoks/YouTube Shorts:**

**5\$/video (Will include subtitles and sound edits)**
