Things I have no experience in drawing but I could totally try.

- Simple vehicles;
- Muscular characters;
- Alien designs.

★ Commissions Terms ★

-Depending on the complexity of your commission, a complexity fee may be added to the final price (price may vary from \$5 to \$10, but may depend on the amount of extras on the piece or complexity of the design).

-Some times I may use some filters on my art, so I don't really recommend using my pieces as references for coloring (reference sheets are an exception!).

- I don't do refunds. However, if the sketch has not been paid yet, you can ask me to cancel your commission if you need.

- Payment must be sent after the ketch has been approved. Once the sketch is approved and paid you can not ask for cancellation for the commission. So please make sure you can pay and you are totally satisfied with the sketch.

- Do NOT trace or steal my art, also don't claim you made the artwork or reupload without credits.
- If you are under 18, please be responsible with your money and/or get parental or guardian consent before you commission me.
- Do NOT use my art for commercial use, I don't feel comfortable with sales of products with my art
(You can make t-shirts, keychains, etc, as long as its for personal use ONLY).
- it is prohibited to make NFTs of my art or feed artificial intelligences with my work, I'LL BLOCK YOU if you do.
- I will not do any kind of explicit NSFW (even suggestive), hateful, fetishized, and any kind of sensitive or controversial art. And please do not involve my art and my person in any of those subjects.
- I can and probably will post your commission on my social medias, if you want to stay anonymous or don't want me to post your piece at all, just tell me and will not post it or tag you.
- when the commission is completed, you can use it any way you like as long as you follow my TOS (when using as pfp, banners, etc, don't forget to credit me).
- don't remove my signature/watermark.
- If you wanna edit the artwork I made for you, please consult me first! I usually don't feel comfortable with edits on my stuff, but it depends on what you wanna do with it. I can even help you if you need!

★ Design Terms ★

- do NOT claim credits as the designer or creator of said design (and please do not remove my designer credit on toyhouse).
- PLEASE DO NOT remove my design from toyhouse, if you delete them from there I will block you and I won't allow you to have any kind of business with me again. (However, if you wanna private their profiles please let me know first!).
- you are free to gift, trade or re-sell for the same price you paid + commissioned pieces of the designs (own made art does not count for additional worth of the design).
- don't legally register copyrights of my designs, I don't feel comfortable with that.
- It is prohibited to use my designs in a disrespectful and controversial way, such as promoting any kind of hate speech.

- you are free to co-own my designs with any person, just be responsible with proper credits and such.
- you can make vtuber and vrchats/3D models with them.
- you can make twins of the character, BUT please do NOT sell, trade or gift them separately.
- You are allowed to make redesigns of them, but please do not make them unrecognizable (you can DM me if you wanna check if your redesign is alright, I actually prefer if you do that! ^^).
- I don't mind if you turn them into a closed or open species, but please let me know first.
