李菊秀
zhaoharmony1991@gmail.com
China

This Privacy Policy covers our treatment of personal information that we gather when you use any of our mobile applications or related services (collectively, the "Services"). This policy does not apply to the practices of third parties that we do not own or control, or to individuals that we do not employ or manage.

Personal Information

We do not record, store, collect information that identifies you as an individual (A Person). We do not attempt to obtain any sensitive information like contacts, your devices media and documents. trade or disclose any personal information you might give us without your prior consent. However, information will be disclosed where required by law.

Although we ourselves do not attempt to track your information, our products may contain third parties' APIs. This Privacy Policy does not apply to information that may be collected by that third party, so we are therefore not responsible for that information.

We allow third-party companies to serve ads and collect certain anonymous information when you visit our app. These companies may use anonymous information such as your Google Advertising ID, your device type and version, browsing activity, location and other technical data relating to your device, in order to provide advertisements

The third-party privacy policies we may use are as follows:
FaceBook - <https://www.facebook.com/about/privacy>

Collection and Use of Non-Personal Information

We may collect non-personal information, such as data that does not allow direct association with any specific individual. Non-personal data is collected, used, transferred, and disclosed for a number of purposes. These purposes include the use of cookies and other technologies that give us a better understanding of our users' needs. We use information collected from cookies to improve users' experience and the overall quality of our services.

How We Use Information

Provide and deliver the products, services, and functionality that you request and are necessary for our apps to work.
Develop, improve, and refine products, services, and functionality.
Personalize the Services by providing advertisements, content, or features that match user profiles or interests.

Policy Updates

Changes To This Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page.

We will let you know via email and/or a prominent notice on our Service, prior to the change becoming effective and update the "effective date" at the top of this Privacy Policy.

You are advised to review this Privacy Policy periodically for any changes.

Changes to this Privacy Policy are effective when they are posted on this page.

PRIVACY QUESTIONS

If you have any questions or concerns about our Privacy Policy or data processing, please contact us.

We may update Privacy Policy from time to time. When we change the policy in a material way, a notice will be posted on our website along with the updated Privacy Policy.
