RZ54 PATREON TOS

This is a detailed guide about each of the benefits that are granted for each tier within this Patreon.

Small tip

As its name says, this tier is focused on supporting with a small contribution that will allow you to have **early access to any type of WIPs**; such as commissions or personal projects, these types of files are the most frequent.

Bystander

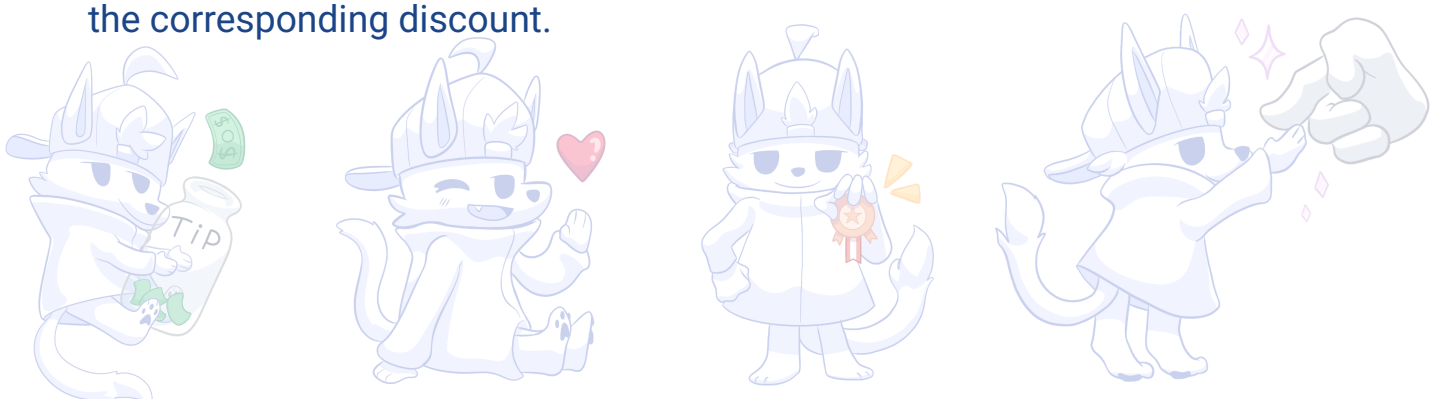

This tier gives access to **all the content that is unique and exclusively from here on patreon.** Said content will not be published openly and can only be seen by this tier or higher tiers.

Member

Members have the ability to **suggest ideas** both directly and for monthly polls. These ideas can end up being from sketches to complete illustrations.

Partner

From this tier onwards, you will be able to access a **15% discount** on direct purchases such as commissions or ychs. It is important to let me know that you are a partner or a higher tier so that I can verify and give the corresponding discount.

Affiliate

Each month paid by a Affiliate will grant him access to a sketch that contains the following:

- A Single character
- Simple or no background
- No complex design
- Colored in a simple grayscale

For the sketch itself, the following points must be taken into account to correctly choose the idea and respect my limits:

What i draw frequently
-Erotic art
-Foot focus
-Tickling
-BDSM
-Micro / Macro
-Furry / Kemono
-SFW / NSFW (General-Mature)

What i might draw
-Humans
-Mechas
-Males

What i won't draw
-Explicit NSFW (Mostly pornographic)
-Racist stuff
-Gross subjects.
-Political stuff
-Specific fetishes like gore, vore, inflation, etc..

Upon receipt of payment, **the customer will have 10 days at the beginning of the month to request the monthly sketch benefit;** Otherwise, if the customer does not order during this period, it will be understood that he will not use the monthly benefit of free sketch for subscription payment. *(This will be verified through payment history)*

Affiliates will also have the option to use one month to color an old sketch if they wish.

Commissions that have been paid outside of patreon or inside, will have the priority of my time before the sketches.

You can check here if I am working or not in commissions:https://trello.com/b/oqqcnCR7/commission-list

I have the right to reject a sketch if it does not seem comfortable to me or I do not see myself capable of carrying it out.

As an Affiliate you accept the conditions already described.
