Collection Details

Historical Note

This is a collection of annual reports of town business compiled by the town of Groton, located in Caledonia County, Vermont.

Collection Description

The collection begins with the 1881 edition and continues in chronological order until present day. All reports are physical copies, made of paper. Also included in this collection are two hardcover books that bind town reports together in one location. The first book contains 1932-1945. The second book contains 1946-1960.

A Town Report typically includes:

- A directory with important contact information.
- They have important dates, such as when taxes are due
- Financial Reports
- Local Government Actions

Arrangement Description

The town reports are arranged in chronological order.

Location of Originals

The collection is stored in the Non-Fiction section, with local history materials.

Immediate Source of Acquisition

The town of Groton distributes the report via the United State Postal Service, and a copy is also sent to the Library.

Using the Collection

This collection is for in library use only.
