

ENG FAHMUL QURAN:

NOTES

Audio 2 : *Surah Al-Ma'idah*

Verses: 35-82

⇒ ✨ We should fear Allah سبحانه وتعالى and seek means of nearness to Him.

⇒ ✨ If the Kafir/ disbelievers have everything on earth to pay as ransom against the punishment of Allah on the Day of Judgement it will not be accepted and they will have a painful punishment.

⇒ ✨ The objective of Islamic Law is to preserve the property of the people.

⇒ ✨ We shouldn't take the property of people without their permission. On the Day of Judgement it will be exposed of what a person used to steal in this dunya.

⇒ ✨ Cutting off hands is the punishment for someone who steals other's property so that he can't steal again and others can take a lesson.

Prophet Mohammed صلى عليه وسلم said:
"A thief at the time of stealing is not a believer".

⇒ ✨ Allah forgives those who repent, reforms their ways and stop committing theft. Part of repentance is to return the stealing objects.

⇒ ✨ Allah doesn't like those who listen falsehood and enjoy it. A person who loves Allah, he can't believe in taghut (طاغوت) falsehood.

⇒ ✨ One who attends masjid regularly, angels are his companions.
If he is missing they look for him. If he is sick they go to visit him. If he needs some help, they help him.

⇒ ✨ It is not possible if a person leaves something for the sake of Allah and Allah will not

bless him with something better in its place.

⇒ ✨ If we truly believe in the Qur'an, we should abide by it because eeman is not just confirming something to be true. Eeman is قول و عمل words and actions. Qur'an should not be in our hands, it should be a part of our lives. We must adhere to it.

⇒ ✨ The law of Allah is based on knowledge of Allah. It is guidance, nur and enlightenment. True enlightenment is adhering to the law of Allah and leaving it is pursuing the ignorance (جاهلية).

⇒ ✨ We should be just to all as Allah loves justice and loves those who are just.

⇒ ✨ We should befriend those who believe in Allah, pray the salah and give zakah, even the angels befriend the worshippers of Allah.

⇒ ✨ Those who worshipped the Taghut (طاغوت) were turned into apes and swines because they had strayed from the right path.

⇒ ✨ A person who follows the commands of Allah, he is taking a step towards Allah. Allah will love him because he has shown his love for Allah.

⇒ ✨ Those who turn away from the law of Allah, He will bring someone in their place because Allah loves those who obey him and they don't fear the blame of the critics.

⇒ ✨ Allah سبحانه وتعالى dislikes arrogance. Arrogance is rejecting the truth and belittling people and looking down at them.

⇒ ✨ Kibr (كبر) is an evil leads to greater evils. May Allah سبحانه وتعالى protect us from this kibr (كبر) and other violations of all the limits that Allah has set so that we may be safe from backbiting, thinking bad about people, bad speech, bad behavior, jealousy and hatred etc.

⇒ ✨ It is pride that make us arrogant with people and make us disobedient to our Lord.

⇒ ✨ The one who is saved from the selfishness of his soul, he is successful. We should make this du'a to Allah:

♥ O'Allah! Make us your humble servant. Aameen!!

بارك الله في علمك وعملك 🌸
