Trustpilot Reviews

📌 Source: <https://www.trustpilot.com/review/tubemagic.com>

- TrustScore: ~2.8 / 5 (based on 3 reviews)
- General Sentiment: Mixed
 - Some users appreciated the automation features for saving time.
 - Others questioned the value for money and mentioned limited tool flexibility.
- Published: Dates not shown individually on Trustpilot.

Reddit Discussion: Do Automation Tools Like Tube Magic Actually Work?

📌 Source:

https://www.reddit.com/r/youtube/comments/1kbt0pi/do_automation_tools_like_tube_magic_actually_work/

- Published: 4 months ago (approx.)

Highlighted Comments:

- u/YesterdayOk1182 (Original Poster): Shared a review article, noting Tube Magic's claims and offering an affiliate link. OP admitted being new and mainly relying on positive research.
- u/Inevitable_Raccoon_9: Criticized the review as being more promotional than a true hands-on test.
- u/adchat: Suggested an alternative (outlierkit.com) as more feature-rich and affordable.

Reddit Discussion: Tube Magic and The Tube AI System

📌 Source:

https://www.reddit.com/r/NewTubers/comments/1eqom4h/tube_magic_and_the_tube_ai_system/

- Published: 1 year ago (approx.)

Highlighted Comments:

- u/para-C: Mentioned using a different AI video tool (aicut.pro) instead.
- u/ANil1729: Shared success using vadoo.tv (500k views, 1k subscribers), but not Tube Magic directly.
- No direct positive or negative reviews about Tube Magic itself were posted in this thread.

Summary

From Trustpilot, Tube Magic has a below-average rating (~2.8/5), reflecting a mix of positive feedback on time-saving features and criticism regarding value. Reddit discussions show limited direct experiences—some users promote alternatives, while others criticize overly promotional reviews. Overall, Tube Magic seems to be one of several AI options in this space, with users divided on its effectiveness and worth.
