

ASMAPPS Privacy Policy

Asmapps Privacy Policy explains what kind of information we may collect and the purpose of information we collect.

By installing apps of “asmapps” on your mobile device, using it you agree to the terms and condition set forth in the privacy policy of “asmapps”, including the possible collection and processing of your information. Please note: if you or, as applicable, your legal guardian, disagree to any term provided herein, you may not install, access and/or use the apps and you are requested to promptly erase them, and any part thereof, from your mobile device.

What information we collect

Our primary purpose in collecting information is only limited to your device. Personally we do not collect any information. If we collect any information about your phone that will be for the services purpose, that we provide to you. For Example, We Read the phone state, the purpose of this is to know about the phone state, that the phone is wake up, in sleep mode which will require in screen lock apps.

If we access camera, storage, microphone, Wi-Fi state. The purpose is that you could take picture with camera in our photo editing apps and will be able to edit it and then able to store in your storage.

Some of our apps will record your voice. Like in our app “Real Flute”. The can play flute with your Voice.

1. Personal Information

We do NOT collect any Personal Information about you. "Personal Information" means personally identifiable information, such as your name, email address, physical address, calendar entries, contact entries, files, photos, etc.

How we use your information we collect

1. Personal Information.

We do NOT collect and use Personal Information in any way.

Links to third-party websites and Ads/third party ads

The Apps may contain links to other websites and will serve advertisement inside it. We do not control third-party websites or services. We only serve ads in our apps.
