

Privacy Policy for Roll Notes

Last updated: Mon 8th September

Your privacy is important to us. Roll Notes is designed with simplicity and transparency in mind.

Information We Collect

- **We do not collect, store, or share any personal information.**
- All notes and data you create within Roll Notes remain on your device and, if enabled, are synced through **Apple iCloud**.

How Data Is Used

- Your notes are stored **locally on your device**.
- If you use iCloud, Apple's iCloud service securely syncs your data across your personal devices.
- We do not have access to, nor do we process, any of your data.

Third-Party Services

- Roll Notes does not use analytics, tracking tools, or advertising SDKs.
- Data synced via iCloud is subject to **Apple's Privacy Policy**:
<https://www.apple.com/legal/privacy/>.

Data Security

- Because all data remains on your device and within iCloud (if enabled), your information is secured by Apple's ecosystem.
- We never transmit your data to any external servers.

Children's Privacy

- Roll Notes does not collect any personal data and can be safely used by all ages.

Changes to This Policy

We may update this Privacy Policy if needed. Any updates will be posted within the app or on the App Store listing.
