

## **Social Media 101**

### **PRESENTATION:** [SOCIAL MEDIA 101](#)

The intent of this Advisory lesson is to provide an opportunity for our LHS students to practice mindfulness and kindness regarding Social Media and Technology at LHS.

Take some time to go through the presentation and facilitate the various discussion points. We encourage you to add to the discussion from your own experience. If you find that your Advisory has further questions or you have concerns about the discussion, contact your Advisory lead, a counselor or administrator.

The slides listed below have discussion prompts.
