Book Reading Light

Effective Date: March 16, 2026

Last Updated: March 16, 2026

1. Introduction

Welcome to Book Reading Light ("App", "we", "our", or "us"). We are committed to protecting your privacy. This Privacy Policy explains how we collect, use, disclose, and safeguard your information when you use our iOS and iPadOS mobile application.

Please read this policy carefully. If you disagree with its terms, please discontinue use of the App immediately.

2. Information We Collect

2.1 Information You Provide

We do not require you to create an account or provide personal information to use the core features of the App. However, when you make a purchase, Apple collects and processes payment information directly through Apple's App Store. We do not have access to your payment details such as credit card numbers or billing addresses.

2.2 Information Collected Automatically

When you use the App, we may automatically collect certain technical information, including:

- Device information: device type, operating system version, unique device identifiers
- App usage data: features used, session duration, in-app interactions
- Crash reports and diagnostic data to improve app stability
- Subscription and purchase status (to verify premium access)

2.3 Information We Do NOT Collect

We want to be clear about what we do not collect:

- We do not collect your name, email address, or any contact information
- We do not collect location data
- We do not access your camera, microphone, or photo library
- We do not collect reading habits, book titles, or any reading content
- We do not collect biometric data
- We do not track you across third-party apps or websites

3. How We Use Your Information

We use the information we collect for the following purposes:

- To provide and maintain the App and its features
- To verify and manage your subscription status
- To diagnose technical issues and improve app performance
- To understand how users interact with the App in order to improve the user experience
- To send local push notifications (only if you have granted permission)
- To comply with legal obligations

We do not sell, rent, or share your personal information with third parties for marketing purposes.

4. Subscriptions and In-App Purchases

Book Reading Light offers optional premium subscriptions processed exclusively through Apple's App Store. All billing, payment processing, and subscription management is handled by Apple. We do not process or store payment information.

Subscription options include:

- Weekly subscription: \$4.99 per week with a 1 week free trial

- Yearly subscription: \$19.99 per year

Your subscription automatically renews unless cancelled at least 24 hours before the end of the current period. You can manage or cancel your subscription at any time through your Apple ID settings in the App Store.

For questions about billing or refunds, please contact Apple Support directly at support.apple.com.

5. Push Notifications

The App may request permission to send you local push notifications, such as daily reading reminders. These notifications are generated and stored locally on your device and are not sent through any external server.

You can enable or disable notifications at any time through:

- The App's Settings screen under "Notifications"
- Your device's Settings app under Notifications > Book Reading Light

We do not use push notifications to send marketing messages or share your information with third parties.

6. Third-Party Services

The App may use the following third-party services that have their own privacy policies:

6.1 Apple App Store & StoreKit

All in-app purchases and subscriptions are processed by Apple through StoreKit. Apple's privacy policy applies to these transactions. Please review Apple's Privacy Policy at apple.com/legal/privacy.

6.2 Analytics (Optional)

We may use privacy-preserving, aggregated analytics tools to understand general usage patterns. Any analytics we use are configured to collect only anonymized, non-personally identifiable data. We do not use tools that track individual users across sessions or link analytics data to your identity.

7. Data Storage and Security

Most of the App's data, including your light settings and preferences, is stored locally on your device using Apple's UserDefaults or on-device storage. This data does not leave your device.

We implement reasonable technical and organizational measures to protect any information we do process. However, no method of transmission over the Internet or electronic storage is 100% secure. We encourage you to be mindful of the security of your device.

We retain usage and diagnostic data only as long as necessary to fulfill the purposes outlined in this policy, and no longer than 12 months.

8. Children's Privacy

The App is not directed to children under the age of 13. We do not knowingly collect personal information from children under 13. If we become aware that we have inadvertently collected personal data from a child under 13, we will take steps to delete that information promptly.

If you are a parent or guardian and believe your child has provided us with personal information, please contact us at the address below.

9. Your Rights

Depending on your location, you may have certain rights regarding your personal information:

9.1 General Rights

- Right to access: You may request information about data we hold about you
- Right to deletion: You may request deletion of your personal data
- Right to correction: You may request correction of inaccurate data
- Right to opt-out: You may opt out of any non-essential data collection

9.2 European Users (GDPR)

If you are located in the European Economic Area (EEA), you have additional rights under the General Data Protection Regulation (GDPR), including the right to data portability and the right to lodge a complaint with your local supervisory authority.

Our legal basis for processing any personal data is our legitimate interest in improving app performance and fulfilling our contractual obligations to provide the subscription service you have purchased.

9.3 California Users (CCPA)

If you are a California resident, you have rights under the California Consumer Privacy Act (CCPA), including the right to know what personal information is collected, the right to delete personal information, and the right to opt-out of the sale of personal information. We do not sell personal information.

10. Data Deletion

To delete your local app data and preferences, you can uninstall the App from your device. This removes all locally stored settings and data.

For any data held by our analytics provider (if applicable), you may contact us to request deletion. We will respond to verified requests within 30 days.

11. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. We will notify you of any significant changes by updating the "Last Updated" date at the top of this document and, where appropriate, by displaying a notice within the App.

Your continued use of the App after any changes to this Privacy Policy constitutes your acceptance of the updated terms. We encourage you to review this page periodically.

12. Contact Us
