

LESSON PLAN

Week of: May 4th - 8th

Class: Careers

Topic/Assignment Name: Being aware of what you share

Lesson Activities

Objective/Goal: Students will be aware of what they are sharing on the internet and social media. They will view a presentation and learn information on how to update safety measures that will help them know how to be more secure with social media and the internet

Activity/Outline:

https://docs.google.com/presentation/d/1F2LJS9jljcQgD7R_IRg0o47XqHwZShqShFd6sNTqz3U/edit?usp=sharing

Notes/Resources: Students can fill out the paper forms or go to my google classroom and view the presentation there.
