

Dear Staff, Parents and Students,

My name is Meg Jacques, and I am thrilled to be joining the Flagstone community as the new Assistant Principal for the upcoming 2017-18 school year. This position will bring me many exciting new challenges and opportunities for learning as I continue down my leadership path.

I began my teaching career in Douglas County in 1999. Over the past 18 years, I have held many positions as an educator, serving as classroom teacher, Intervention Specialist, Administrative Intern, and most recently, Assistant Principal. In 2007, I received my Master's Degree in Educational Leadership and got my Principal License so that I could further my passion for education, serve more and make a greater impact in the school community. Over the course of my career, I have felt driven to pursue more leadership roles and responsibilities, and was able to participate in a number of opportunities, both at building and district levels, which gave me more experiences to expand my learning and further my work with both children and adults.

I am happily married for over 10 years to my wonderful husband, Phil. We have two energetic and lovable boys: Riley, 7, who will be in second grade, and Sean, 6, who will be starting first grade. We have had a very busy summer taking swim lessons, spending time at the lake, reading, and looking for a new puppy to adopt to add to our clan! As a family, we love road trips, camping, boating, watching movies together, grilling in our backyard, and spending as much time as we can with family and friends.

I am looking forward to an exciting and rewarding year! I look forward to meeting and connecting with all of the staff, students and families of this incredible school. I know this will be great year full of learning and fun! I look forward to partnering with each of you to make this a successful and memorable year. We are #oneflagstone!

Warmly,
Meg Jacques
