

What is a fire drill in the virtual world?

A virtual fire drill is when one of the school wide systems has some sort of error or outage.

This is NOT A FREE DAY! You are still expected to login and complete work!

AND/OR

Your internet and/or computer is not working.

Communication is KEY! We NEED to know what is going on as soon as possible.

Procedures for a Virtual Fire Drill

- Let your teachers know what problems you are having as soon as possible!!!
 - * If your internet is working or you have access to a smart phone, please e-mail your teachers.
 - * If your internet is not working, please try to call your teachers
 - My email: klawhon@cyberacademysc.org
 - My number: (864)531-0166
- If it is a program issue, Contact Customer Care 866-512-2273 or www.help.k12.com
 - *Make note of your ticket number and send that to your teachers.
- Follow the directions below to complete your work for the day

Fire Drill Assignments

- 1) If you can access the OLS, login and complete any work assigned for that day.
 - Check your assignments/grades in the OLS. If you have any missing or overdue assignments, complete them. If you have any low quiz/test scores, review and retry them.
- 2) If the OLS is down, complete any work due in Classkick, IXL, or Progress Learning.
